List of Abbreviations

COE	Centre of Excellence
DTET	Directorate of Technical Education & Training
GITI	Gopabandhu Industrial Training Institute
ITI	Industrial Training Institute
ITT	Institute of Textile Technology
JES	Jharsuguda Engineering School
NSDC	National Skill Development Council
NSQF	National Skills Qualification Framework
OEME	Orissa School of Mining Engineering
OSEMS	Odisha State Employment Mission
PPP	Public Private Partnership
SDC	Skill Development Centre
SIPT	State Institute of Plumbing Technology
SSC	Sector Skill Council
TSP	Training Service Provider
UGIE	Utkalmani Gopabandhu Institute of Engineering

1. Skill Development Centres

1.1. Siruli, Puri

Name of Project	Skill Development Centre in Puri
Project Location	Siruli, Puri
Project Contours	Govt. of Odisha is establishing Skill Development Centres across all districts to ensure availability of training infrastructure across the State. These SDCs are proposed to be operated under Public-Private Partnership (PPP) mode.
Mode of Private Participation	Private Partners are invited to operate and maintain the Skill Development Centre and train students on various approved trades in the Priority Sectors of the State.
Training Capacity	Approx. 100 – 120 in one shift
Infrastructure to be provided by Govt. of Odisha	Govt. of Odisha will provide building of approx. 5,000 sq. ft. of built-up space on approx. 2 Acres of land, which includes 3 rooms for training, cabins for faculty and other common facilities.
Support to be provided by Govt. of Odisha	<ul style="list-style-type: none"> Govt. of Odisha will reimburse the training cost of all students registered and trained, as per applicable rate for the approved trades in various categories. The Private partners will be eligible for loans from National Skill Development Council (NSDC)
Nodal Agency	Odisha State Employment Mission (OSEMS) & Directorate of Employment

1.2. Chandrabahal, Angul

Name of Project	Skill Development Centre in Chandrabahal, Angul
Project Location	Chandrabahal, Angul
Project Contours	Govt. of Odisha is establishing Skill Development Centres across all districts to ensure availability of training infrastructure across the State. These SDCs are proposed to be operated under Public-Private Partnership (PPP) mode.
Mode of Private Participation	Private Partners are invited to operate and maintain the Skill Development Centre and train students on various approved trades in the Priority Sectors of the State.
Training Capacity	Approx. 100 – 120 in one shift
Infrastructure to be provided by Govt. of Odisha	Govt. of Odisha will provide building of approx. 5,000 sq. ft. of built-up space on approx. 2 Acres of land, which includes 3 rooms for training, cabins for faculty and other common facilities.
Support to be provided by Govt. of Odisha	<ul style="list-style-type: none"> Govt. of Odisha will reimburse the training cost of all students registered and trained, as per applicable rate for the approved trades in various categories. The Private partners will be eligible for loans from National Skill Development Council (NSDC)
Nodal Agency	Odisha State Employment Mission (OSEMS) & Directorate of Employment

1.3. Chandipur, Balasore

Name of Project	Skill Development Centre in Balasore
Project Location	Hidigaon, Chandipur, Balasore District
Project Contours	Govt. of Odisha is establishing Skill Development Centres across all districts to ensure availability of training infrastructure across the State. These SDCs are proposed to be operated under Public-Private Partnership (PPP) mode.
Mode of Private Participation	Private Partners are invited to operate and maintain the Skill Development Centre and train students on various approved trades in the Priority Sectors of the State.
Training Capacity	Approx. 100 – 120 in one shift
Infrastructure to be provided by Govt. of Odisha	Govt. of Odisha will provide building of approx. 5,000 sq. ft. of built-up space on approx. 2 Acres of land, which includes 3 rooms for training, cabins for faculty and other common facilities.
